In September 2024, the OZ Dome will be entering its 27th year and we are busier than ever hosting thousands of patrons through OZ Leagues, Birthday Parties, Recreational Rentals, School Field Trips and Special Events.

Our state of the art Dome offers a FIFA recommended Classic HD indoor turf, Built-In Skylight Stadium LED Lighting, and viewing room where you can take advantage of our fully licensed restaurant.

Within the Dome we have created opportunities for local companies and organizations to advertise their products and services in a cost effective format with indoor signage at our family friendly community sports facility.
